

DESKTOP PC

# itGO Terra 710

## Innovation in Motion

A business desktop PC delivering essential performance, seamless manageability and effortless upgradeability.

**Core i7 / Ultra 7**  
Intel Processors

**12th – 14th Gen**  
Core i7 or Core Ultra 7

**Up to 256 GB**  
DDR4 / DDR5 Memory

**21 – 27 inch**  
HD / FHD / IPS Monitor

**Wi-Fi 5 / 6**  
As per Configuration

**NVMe SSD**  
Up to 2 TB

**1 / 3 / 5 Years**  
On-site Warranty

**itGO Terra 710**

**USB 3.2**  
GEN 1/2 PORTS

**HDMI, VGA**  
VIDEO OUTPUTS

**PCIe x16**  
EXPANSION SLOTS

**TPM 2.0**  
OPTIONAL

## KEY FEATURES

### Delivering High Performance

itGO desktop PCs are built to deliver exceptional performance, empowering you to achieve more.

### Max Upgradeability

Designed with future-proofing in mind, offering maximum upgradeability to keep up with your evolving needs.

### Unmatched Reliability

Built with premium components for dependable, long-term everyday use.

### Efficient Design

Crafted with efficiency in mind, combining sleek aesthetics with intelligent design for optimal performance.

### Secure Solution

Cutting-edge security measures designed to protect your data and maintain your privacy.

### Flexible Connectivity

Front and rear ports plus wireless options keep peripherals, displays and networks connected.

|                                                                                                                   |                                                                                                                                                                  |                                                                                                                                                                          |
